Approval of Fire Hoses

Dear Mr. Manitz,

Herewith we confirm that we have no objections against the use of fire hoses of types

- Syntex Unidur
- Syntex 2F / Syntex 3F
- Syntex 500

which have been certified in accordance with Commission Directive 2008/67/EC (based on Council Directive 96/98/EC on marine equipment). The fire hoses may be used for worldwide application on ships classed by GL.

Yours faithfully,

Germanischer Lloyd
